Licensed and Accredited by the Florida Agency for Health Care Administration (AHCA)
This organization is proudly licensed and operates in compliance with the standards and regulations set forth by the Florida Agency for Health Care Administration (AHCA), ensuring quality care and services in accordance with state healthcare guidelines.

About AIB

The American Institute of Balance (AIB) was founded in 1992, and is among the **country's largest multi-specialty centers for evaluation and treatment of dizziness and balance disorders.**

Institute is nationally and internationally known for its expertise in evaluation, treatment and rehabilitation. The institute's therapy programs are used by physicians, audiologists and therapists worldwide.

Information

CMS (Center for Medicare Services) requires a physician's signed order for Evaluation and Treatment for each patient. Please authorize below for the above named patient so we may expedite diagnosis and treatment. You will receive a written report of findings and recommendations and/or treatment outcomes.
